

The National Day of Prayer is an annual observance held on the first Thursday of May, inviting people of all faiths to pray for the nation. It was created in 1952 by a joint resolution of the United States Congress, and signed into law by President Harry S. Truman. Our Task Force is a privately funded organization whose purpose is to encourage participation on the National Day of Prayer. It exists to communicate with every individual the need for personal repentance and prayer, to create appropriate materials, and to mobilize the Christian community to intercede for America's leaders and its families. The Task Force represents a **Judeo Christian** expression of the national observance, based on our understanding that this country was birthed in prayer and in reverence for the God of the Bible.

The National Day of Prayer Task Force's mission is to communicate with every individual the need for personal repentance and prayer, mobilizing the Christian community to intercede for America and its leadership in the seven centers of power: Government, Military, Media, Business, Education, Church and Family. More information regarding the 7 centers of influence can be found at www.ndptf.org, then click on the **7x7** tab.

This year's theme is "Prayer: America's Hope" based on **Psalm 33:22** which states: "May your unfailing love rest upon us, O Lord, even as we put our hope in you."
